Improve and develop key learning skills

English Lessons at a Glance!

This course is aimed at developing communication skills for young people The skills learned will enable you to become a more confident individual. You will be able to partake in wider life skills, while integrating seamlessly in the British community and gain certificates and references leading you to a successful role in own and economic/social development. We believe strongly in teaching grammar as a foundation for learning all languages.

Membership and Session: fees apply. Courses starting in October 2016.

Sessions: 11.00am to 1.00pm, 3.30pm to 4.30pm and 4.30pm to 5.30pm.

This course is for people who:

- Do not speak English as their first language.
- Speak a little English but are not confident to communicate their needs at ease.
- Speak English but encounter difficulties in using English correctly.

What skills will I learn/ develop?

- Reading and decoding including comprehension and grammar.
- Being an independent reader, quizzer, analyser and reporter.
- Writing (stretching writing techniques and making your writing more creative).
- Speaking and listening skills whilst improving your spelling.
- Tackling problems in pronunciation.
- You will be able to learn how to transfer/teach your English to others.
- You will also develop and transfer your knowledgeable skills in ICT whilst learning English through games and quizzes.

Students will develop independent learning skills which enable them to take responsibility for how they plan and manage their learning and get ready for their transition.
